Response to Observations and Recommendations of the Academic Audit Committee

	Observations & Recommendations	Response
1.	Overall performance of the institute is good	-
2.	Adequate facilities to run the courses	-
3.	Faculty members are engaged effectively in teaching and research	-
4.	Students are getting rigorous training through various seminar and teaching schedule	-
5.	Institute must focus on getting Institutional publications and patents	As the teaching courses of MD Pediatrics and MCh Pediatric Surgery are under the regulations laid down by National Medical Commission (NMC), hence the research publications in the field of medical literature from the institution are being done in publishing platforms that are approved by NMC: The only publications acceptable by NMC are : <i>original papers, metaanalysis, systematic reviews, and case series that are published in journals included in</i> <i>Medline, Pubmed, Central Science Citation Index, Science Citation Index, Expanded Embase, Scopus, Directory of Open Access Journals (DoAJ) etc.</i> Teachers eligibility qualifications in medical institutions regulations, 2022, NMC Gazette notification, 14th February 2022 All our institutional publications conform to the above approved criteria
