A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150th birth anniversary in 2019,” said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement.

The composite resolution of Shramadan is "donation of labour ". It is a Tatpurusha compound, in which two words "shram" (hard work) and "daan" (giving) are combined to form a new word "shramdaan", which means "donation of hard work" or "donation of physical labour". Shramdaan means doing voluntary physical labour for public work or social service without any wages or salary. Shramdaan is an important activity for community development and social welfare. It unites people, promotes a sense of community, and also helps in personal growth.

Maintaining a clean and efficient workplace starts with hand hygiene and regular weeding out of old files. Keeping this in mind we, CNBC participated in ongoing training activities of hand hygiene to staff and patient relatives.

Also, regular shredding of old files is being done in the hospital.
