A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019,” said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. The campaign aims to achieve the vision of a ‘Clean India’ by 2nd October 2019.

The composite resolution of Shramdaan is " donation of labour ". It is a Tatpurusha compound, in which two words "shram" (hard work) and "daan" (giving) are combined to form a new word "shramdaan", which means "donation of hard work" or "donation of physical labour". Shramdaan means doing voluntary physical labour for public work or social service without any wages or salary. Shramdaan is an important activity for community development and social welfare. It unites people, promotes a sense of community, and also helps in personal growth.

Support services play a critical role in maintaining quality,safety and efficiency of healthcare delivery.Keeping this in mind we ,CNBC participated in ongoing periodic audits of these key departments like CSSD,kitchen and laundry.
