Details (50-100 words) -

As part of the ongoing Swachhata Drive, a focused inspection of all hospital toilets and bathrooms was carried out on 03.08.2025 from 10:00 AM to 11:30 AM by the Head of the Office and Sanitation Supervisor to ensure cleanliness, hygiene, and functionality. The inspection aimed to identify areas requiring immediate attention and to reinforce the importance of maintaining a clean and odor-free environment for patients, attendants, and staff.

During the inspection, toilet cleanliness, availability of water, hand washing facilities, functional exhaust fans, and waste disposal mechanisms were checked. Most of the bathrooms and toilets were found clean, odor free and functional. Any instances of foul smell were addressed with immediate cleaning and use of disinfectants. Sanitation supervisor was asked to use air fresheners wherever necessary.

Staffs were sensitized to carry out frequent cleaning rounds and maintain a checklist for monitoring. Patients attendants were also counselled for maintaining cleanliness of the toilets. Feedback from users was also encouraged to ensure continuous improvement.
