BACKGROUND

As we enter the 19th day of the initiative inspired by the Hon'ble Prime Minister Shri Narendra Modi's vision of #ViksitBharat2047 and the Swachh Bharat Mission, the Hon'ble Chief Minister of Delhi, Smt. Rekha Gupta, launched a month-long cleanliness drive from August 1st to August 31st 2025. This drive aims to achieve "दिल्ली को कूड़े से आज़ादी" with a renewed spirit and enthusiasm.🌱

In response to directives from the Department of Health and Family Welfare, GNCT of Delhi, a month-long Swachhata Drive has been organized in Delhi from August 1st to August 31st. The focus will be on cleanliness, including community clean-up activities and efforts to reduce plastic usage. Key highlights include enhanced activities as listed below:

Let's unite for a cleaner, greener, garbage-free Delhi! 🇮🇳

2025, under the theme "दिल्ली को कूड़े से आज़ादी".

REPORT OF 19th AUGUST ACTIVITY

“WELL-ARRANGED EQUIPMENT, WELL-ASSURED CARE.”

Proper cleaning of the medical store and equipment is essential for maintaining hygiene, preventing infections, and ensuring patient safety. The medical store should be cleaned daily by sweeping and mopping floors with disinfectant, wiping shelves, counters, and storage area to keep them dust-free and well organized.

Activity on 19th August 2025

On this 19th day of Swacchta drive we have conducted an activity focusing on cleanliness of medical store and equipment cleaning. The whole activity was focused to keep all the concerned departments dust-free and arrange them in a proper manner. The medical store was properly cleaned by sweeping and mopping, all the shelves' counters and storage area was organized, and all medical equipments i.e. BP apparatus, stethoscopes, nebulizers were cleaned and disinfected thoroughly. Following these practices not only ensures a safe healthcare environment but also increases the lifespan of the equipment and upholds quality standards.

MEDICAL STORE CLEANING AND MOPPING

Today's Goals are

- To maintain a clean, hygienic, and well-organized medical store and equipments.
- To increase the lifespan of medical devices.
- To provide a safe environment for both patients and healthcare workers.
- To ensure the safety and quality of medicines.
