**Sub:     Quotation for supply of Sheep Blood.**

Sir,

This hospital requires 1000ml sheep blood per month. You are therefore requested to submit the sealed quotation for sheep blood for this hospital. The specifications of sheep blood are given below:

1. The sheep blood should be supplied as and when required.
2. The supplier will use their own ACD Blood Bag and Bleeding set.
3. The quantity of sheep blood required can be increased or decreased according to the need with prior intimation to the supplier.
4. The date and time of Bleeding must be mentioned on the Bag.
5. The Blood should be as fresh as possible and in any case should not be older than 48 hour.
6. If the quantity and / or quality of the blood is not satisfactory, the supply will be rejected and the same should be replaced.

You are requested to quote the rates for supply of the said item to this hospital in a sealed envelope super scribed quotation for "SUPPLY OF SHEEP BLOOD". The quotation must reach this hospital on or before 29.09.08 upto 1.00 P.M.
